Tennis Report 2015

The final MCC one day Tennis competition was held at the Illawarra Tennis Centre on March 12th. Tennis will become a Summer seasonal [home and away] sport in term 4 2015 which will be very pleasing to our committed tennis players.

Once again the weather was kind to us and this years competition was played in very pleasant conditions. All 8 schools competed in very hard fought competition that was finally decided during the final 2 rounds of competition.

The winner of the Aggregate trophy was:
Marist College North Shore

The winner of the Most Improved Trophy was:
Holy Cross College Ryde.

Congratulations to all involved in very successful day of sport for our students.
