## Athletics Report 2016

The 87<sup>th</sup> annual MCC Athletics Carnival was held on Thursday 25<sup>th</sup> August at Sydney Olympic Park Athletics Centre. Heavy rain leading into the carnival made for wet conditions initially but plenty of sunshine allowed for a great day for athletes, staff and spectators. Congratulations to all athletes and coaches for their efforts in representing their respective schools, but particularly to:

- Kogarah - winners of the Junior & Aggregate Trophies
- Lewisham - winners of the Senior Trophy
- North Shore - winners of the Juvenile & Most Improved Trophy

Special thanks to all the staff who officiated on the day. Once again, their support in judging the track and field events made for the smooth running of the carnival. The quality of competition was very high as was evidenced by the margins between the leading schools in each of the trophies being contested. In what is something of a rare occurrence, all MCC records remained intact at the conclusion of this year's carnival.

I'd like to thank the staff from SOPAC and Ms Susan Newton from Athletics NSW for their assistance on the day and to all our competitors who were outstanding in the way they conducted themselves. Plenty of time and hard work went into preparing each team and congratulations to all staff and students on another successful Athletics season
