On Thursday 28th February the Marist Kogarah MCC tennis squad won their first MCC Tennis Grand Final since the tournament switched from an annual one day gala event, to a complete summer tournament played over terms 4 and 1.

Kogarah lead the first round of matches and held the lead in hot conditions winning the title 73 to 48 putting an end to Randwick's hopes of winning the title this year after losing to Lewisham last season.

While all 30 players who took part in matches on the day played superbly David Chin from Kogarah was voted the Most Valuable Player on the day by both schools coaching staff after demolishing his opponent 11-2. James Konstas from Kogarah was equally impressive winning the coaches award for the day after grinding out an 8-2 battle only days after having his moon boot removed.

David Hanna from Randwick was voted player of the day by Marcellin after a strong 8-1 victory.

Both teams played to the best of their abilities and did not fail to entertain the strong crowd of parents, students and staff.

All involved need to be congratulated on their skill, dedication and respect for their opponent.

The day capped off another successful season proving tennis deserves its place alongside the other long standing traditional summer sports.

Thank you to all coaches and sportsmasters for their efforts throughout the season, without your commitment and dedication the competition simply cannot run.

Finally to Mark Hildebrandt for your tireless efforts as MCC secretary.

Until next season.
