

MCC Cricket Report 2019/20

The 2019/20 MCC season was once again evenly contested throughout. This was the second year of the competition that has students broken up into two age groups; Senior and Junior (15A and B teams). All players and coaches are to be congratulated on maintaining the high standard of fair play and integrity of the MCC Cricket Competition.

Senior

This year's competition was extremely well contested. Ryde and Lewisham were dominant throughout the rounds and it was highly fitting that they both met in the final.

Holy Cross Ryde were crowned champions after a stellar bowling performance set them up to win a highly entertaining final. This is their first senior cricket premiership since returning to the MCC.

Junior 15 A

The 15A competition this year saw the unique situation of only featuring 4 teams. This led to a highly competitive competition that allowed teams to play two regular season fixtures against each school . In the final North Shore were the deserved winners after setting Lewisham the difficult total of 107 to chase.
