On Thursday 27th February the Marist Kogarah MCC tennis squad won their second consecutive MCC Tennis Grand Final while remaining undefeated for two seasons.

When first and second placed teams make the grand final you are always guaranteed a close match up and these two schools did not disappoint.

Kogarah and Lewisham were tied at 33 all at the halfway mark. Impressive tennis was played by both squads in ideal conditions. In the end Kogarah were victorious winning 79-50.

While all 30 players who took part in matches on the day played with incredible skill and athleticism, Lewis Mabey from Kogarah and Vasilios Panagiotlaris from Lewisham were voted the Most Valuable Players on the day by both schools coaching staff.

Both teams played to the best of their abilities and did not fail to entertain the strong crowd of parents, students and staff.

All involved need to be congratulated on their skill, dedication and respect for their opponent.

The day was definitely the pinnacle of another successful season once again proving tennis deserves its place alongside the other long standing traditional summer sports.

Congratulations to Elijah Cham, Vasilios Panagiotlaris, and Daniel El Azzi from Lewisham along with Yuri D'Annunzio from Kogarah for making the NSWCCC squad. An incredible achievement.

Thank you to all coaches and sportsmasters for their efforts throughout the season, without your commitment and dedication the competition simply cannot run.

Finally to Mark Hildebrandt for your tireless efforts as MCC secretary.

Until next season.
