

Touch Football Report

“The key to success is to focus on goals, not obstacles.”

The 2019/2020 Touch Season began in Term 4 with the continuation of the two venues – Morrison Bay and Heffron park. The competition got underway without a hitch, and by Round 1 all teams were fiercely competing for their age group championships.

There was strong competition across the four age groups particularly from Randwick, Ryde, Lewisham and Pagewood. For consecutive years, Ryde claimed the aggregate trophy which is an excellent achievement. A special mention to all players from all schools who represented their school for the spirit in which they played the game.

Special congratulations to Holy Cross Ryde for winning the two senior grand finals that they competed in and securing the A Grade and B Grade Championships. The same must be said for Christian Brothers’ Lewisham who took out the junior grand finals in securing the U15 and 14 Championships. This is an outstanding achievement and reflects the depth at both schools.

Thank you to everyone that made the season as successful one, especially the coaches, team managers, referees and support staff. Your continued support and provision allow for a smooth and coordinated competition. A special thank you to Mr Phillip Stewart, Principal of Ryde, for hosting a very successful finals competition. Finally, thank you to Mr Mark Hidebrandt whose guidance and knowledge has been invaluable in administrating the Touch Football competition for another season.
